OTHERS – Research Outputs for the Library in Year 2006

Non Refereed Conference Paper

Tabalala, L., 2006. Empowering library staff through library/information studies at USP. In: Cohen, A. (ed.), *Selected Papers from the 14th and 15th Pacific Island Association of Libraries and Archives Annual Conference*. Pacific Islands Association of Libraries and Archives.

Seminar Presentation

Fong, E.C., 2006. The University of the South Pacific Library's Information Literacy Programme: Development from inception. Paper presented at a seminar on *Information Literacy*, Faculty of Library and Information Sciences, Vietnam National University, Hanoi, Vietnam, 20 February 2006.

NOTES:

The references in bold represent those research outputs for which further information is required for the reference details to be complete.

This list is based on the Faculty structure after the inter-faculty movement of staff that occurred around mid-2008.

Research outputs that have been co-authored by persons from different faculties and other departments working together have been placed under the faculty or department of the first author.
